

## Cove Door Lever

CODE	PROJECTION	LENGTH
LH.008	73 mm [2.88 in]	147 mm [5.79 in]

The Cove door lever was designed with the idea in mind that less can be more. With the classic T-shaped design, the intention was to allow this piece to blend harmoniously into contemporary interiors.

Whilst being perfectly inconspicuous, this allows other elements to take center stage. Made from the finest grade of solid brass, all pieces are then carefully hand finished in all the standard Björn Collection finishes.
