

## Dune Doorknob

CODE	PROJECTION	LENGTH
DK.003	77 mm [3.01 in]	50 mm [1.97 in]

The Dune doorknob was designed on the principles of form and function. Stripped of unnecessary ornament, we designed a solid brass sphere on a simple rose. It has classic roots of the oldest door designs dating back to the 18th century whilst providing a timeless and modern look. Made from the finest grade of solid brass, all pieces are then carefully hand finished in all the standard Björn Collection finishes.
