

## Marin Cabinet Pull with Knurling

CODE	C-C	Length
CP.007.01	20mm [0.79in]	32mm [1.26 in]
CP.007.02	29mm [1.14 in]	44mm [1.73 in]

While the Marin Collection is simple, the subtleties of the design should not be overlooked. Transitioning from the shanks square section to cylindrical, provides true homage to the idea form and function. We experimented with many different textures on the grip of the handle and our favorite was the fine diamond knurl. Made from the finest grade of solid brass, all pieces are then carefully hand finished in all the standard Björn Collection finishes.
